

Empower Your Health, Balance Your Life with

OV CARE

Tablets

OV Care is a comprehensive nutraceutical supplement meticulously formulated to support women's health. This advanced blend combines the benefits of inositol, vitamin C, Vitex agnuscastus (chasteberry) extract, red clover extract, and a spectrum of essential multivitamins to promote overall well-being, hormonal balance, and reproductive health.

OV CARE

Tablets

INOSITOL

Known for its role in cellular health and function, inositol is vital for insulin regulation and hormone balance, particularly beneficial for women experiencing polycystic ovary syndrome (PCOS).

VITEX AGNUS

Traditionally used to support hormonal balance and alleviate symptoms of PMS and menstrual irregularities. This extract helps regulate the menstrual cycle and manage discomfort.

RED CLOVER

Rich in isoflavones, red clover extract supports cardiovascular health and bone strength. It also aids in managing menopausal symptoms, such as hot flashes and mood swings.

MULTIVITAMINS

A comprehensive blend of essential vitamins and minerals to ensure overall health and well-being. These nutrients fill potential dietary gaps, support energy production, and enhance immune function.
